magic and fae, and a growing evil that threatens them all. By this book in the series readers know that the witches are really the descendants of the House of Gaian and that when a witch dies, slaughtered by the evil minions of jealousy and twisted magic, the tether to the magical fae land of Tir Alainn is broken and that part of the fae realm is lost.

Shadows and Light (Tir Alainn, #2) by Anne Bishop

The best part of Shadows of Light was probably the fact that the bad guys are basically not in this book. There are a few chapters from their perspective, but nothing like the last book. This is good because in general, I don't really like reading Bishop's villain's perspectives.
